20  
21 Dear Sir,

22 Assignee, Church of Spiritual Technology ("CST") hereby petitions the Commissioner to  
23 make application for the above-captioned invention without a Declaration or Both signed by co-  
24 inventor Trent Lillehaugen. As set forth below, and in the accompanying Declaration of Robert  
25 A. Seldon, Mr. Lillehaugen has refused to sign the Declaration that was placed before him on  
26 two occasions.

27 1. CST is the owner of the entire right, title and interest in and to the above-captioned  
28 invention, International Application and U.S. patent application by written assignments from the  
29 co-inventors. The written assignments have been recorded in the U.S. Patent & Trademark  
30 Office at Reel /Frame Nos. 015254/0773, 015415/0637 and 017113/0656, and 015254/0801.

2. By written assignment recorded at the last-cited Reel/Frame No., Mr. Lillehaugen assigned his rights in the invention and applications to CST.

3. As set forth in the accompanying Corrected Declaration of Robert A. Seldon, Mr. Lillehaugen has twice refused to sign a Declaration. (Seldon Decl., ¶¶4-5).

4. Mr. Lillehaugen's address is:

900 Calle Plano

Suite "A"

Camarillo, CA 93012

5. It is respectfully urged that this Petition be granted to prevent CST from being prejudiced and irreparably damaged by Mr. Lillehaugen's refusal to sign the Declaration. CST has invested significant time and expense in developing the subject invention, and in the preparation and prosecution of the patent applications described above. CST will accordingly be prejudiced and irreparably damaged if prevented from filing this application for U.S. patent owing to Mr. Lillehaugen's refusal to sign the Declaration.

13                   CORRECTED DECLARATION OF ROBERT A. SELDON

14  
15                   I, Robert A. Seldon, declare that:

16  
17                   1. I am a member of the bar of the State of California, registered to practice before the

19                   Application, representing the assignee of all rights therein.

20  
21                   2. I submit this Declaration pursuant to 37 CFR 1.47 because co-inventor Trent

4 Declaration.

5  
6 5. On July 2, 2004, I met with Mr. Lillihaugen at LAE's office in Camarillo, California,  
7 where I presented Mr. Lillihaugen with a copy of the PCT application and a Declaration suitable  
8 for filing in the USPTO. I asked Mr. Lillihaugen to sign the Declaration; he refused to do so.

9  
10 I declare under penalty of perjury that the foregoing is true and correct. Executed in Los  
11 Angeles, California on October 17, 2006.
